Mike Korol, General Manager of Carlisle Roof Foam and Coatings says, "We are excited to welcome Asbell Enterprises to the CRFC sales team. With them they bring over 20 years of commercial roofing experience and strong relationships within the roofing community in Las Vegas and throughout the Southern Nevada region. Asbell Enterprises is a great fit and addition to the team."

**About Carlisle Roof Foam and Coatings:** Carlisle Roof Foam and Coatings (CRFC) is a part of the Carlisle Construction Materials (CCM) family of companies. CRFC offers a broad range of acrylic and silicone roof coatings and spray polyurethane foam (SPF) insulations for commercial roofing applications. CRFC's SPF roofing systems provide a long-term, sustainable solution and are seamless, watertight, and virtually maintenance-free. Acrylic and silicone coatings are used as a component of SPF roofing systems and can also be used as standalone products to restore existing aged roofs.
