

Carlisle Warranty Services

The Carlisle Warranty Services Team (CWS) is here to help. CWS provides exceptional support to contractors with Carlisle warranted roofs. The CWS portal offers contractors access to the status of new warranties, tracking of existing warranties, and progress on warranty claims. You will have a dedicated team ensuring any challenge you have with your roofing project is quickly resolved.

Carlisle Roof Foam and Coatings (CRFC) offers products that are unparalleled in terms of quality and warranty options. With a proven record of successful products, CRFC has the confidence to warrant your roofing project. **CRFC warranties provide industry-leading protection, covering the repair of leaks from a variety of causes.** With a CRFC warranty, you can feel confident that the building has long-term protection.

Features and Benefits:

- Mobile-friendly portal for tablets and smart phones
- User-friendly dashboard to manage warranty-related tasks
- Streamlined warranty application process
- Language preferences for French and Spanish speakers
- Real-time visibility of RFWs and online signoff
- Interactive service requests for warranty repairs
- Online invoice submission
- And more...

For questions and to learn more, please contact your CRFC Representative.
