

CRFC-MA-2021-08
Updates to CRFC Website and Technical Documents
October 25, 2021

To: Carlisle Roof Foam and Coatings' Manufacturer's Representatives, Distributors, and Authorized Applicators

Carlisle Roof Foam and Coatings (CRFC) is pleased to announce several additions and updates to essential documents. Please note, the most current versions of all documents can always be found on the CRFC website.

New Codes Guide

A new Codes Guide has been added to the CRFC website. This is a handy tool listing CRFC product approvals. The approvals are routinely updated, so please check the website regularly. The most up to date version can be found at: [2021-CRFC-Code-Guide.pdf \(carlislerfc.com\)](https://www.carlislerfc.com/2021-CRFC-Code-Guide.pdf)

1. UL Approvals
 - a. ANSI UL – Class A and B for Acrylic Coatings
 - b. ANSI UL – Class A and B for Silicone Coatings
2. FM Approvals
 - a. PremiSEAL™ SPF with Silicone and Acrylic Coatings (New Construction)
 - b. PremiSEAL SPF with Silicone and Acrylic Coatings (Recover)
3. Miami-Dade (South Florida) Approvals
4. Florida Product Approvals
5. Texas Department of Insurance Product Approval

CRFC Coating Primer Matrix

Updates to the CRFC Coating Primer Matrix include:

SeamlesSEAL Ultra Silicones

1. All Prime-Tek Bleed Block recommendations have been updated to Prime-Tek Bleed Block Plus
2. Categories added for Single-Ply, Metal and BUR
3. Recommend Prime-Tek Membrane Cleaner for all Single-Ply membranes
4. Removed Prime-Tek Membrane Cleaner recommendation for all other applications
5. Recommend Pressure Washing for all applications except for Newly Applied Polyurethane Foam

SeamlesSEAL Acrylics

1. All Prime-Tek Bleed Block recommendations have been updated to Prime-Tek Bleed Block Plus

Marketing Announcement

2. Categories added for Single-Ply, Metal and BUR
3. Recommend Prime-Tek Membrane Cleaner for all Single-Ply membranes
4. Removed Prime-Tek Membrane Cleaner recommendation for all other applications
5. Recommend Pressure Washing for all applications except for Newly Applied Polyurethane Foam

If you have any questions, please contact your local manufacturer's representative or distributor.

Sincerely,

Bruce Schenke
Carlisle Roof Foam and Coatings Product Manager
