### Seal-Tek™ Acrylic Mastic Packaging Availability Update October 1, 2021

#### To: Carlisle Roof Foam and Coatings' Manufacturer's Representatives and Authorized Applicators

CRFC is pleased to announce its Seal-Tek Acrylic Mastic is now available in 2-gallon plastic pails, in addition to 5-gallon pails and 55-gallon drums. Seal-Tek Acrylic Mastic is a single-component, water-based product intended for use as a flashing material for most substrates and a sealer for seams, fasteners, penetrations, and other details in roof coating applications. The product can also be used to fill in small cracks and alligatored asphaltic roof surfaces.

#### Features and Benefits

- Can be applied with trowel, roller, or brush
- Easy cleanup with water
- Superior adhesion
- Long-term durability
- Single-component, low-odor
- Easy to use in most applications
- Excellent sealer over fasteners, rough substrates, seams, details, and transitions
- Low VOC levels allow for application in most regulated areas
